

September 2022

Dear Student

Sigma Sixth (Philip Morant College) Colchester

We would like to extend a personal invitation for you to apply to Sigma Sixth in Colchester. Whatever your long-term goals are, we offer a wide range of A-Level and Level 3 courses to help you achieve these goals. Your Post 18 destination is important to us and we will support you in your next steps, whether that be university, higher level or degree-level apprenticeships, or employment.

Sigma Sixth is an inclusive and innovative college where we seek every opportunity to enhance and broaden the experiences of our students. We offer a range of A-Level and BTEC subjects and this offer is broadened through our partnership with the University of Essex and the VI6 project. Six out of the 28 subjects on offer to you are taught at Essex University, within a university environment for one day a week.

Our Sigma Sixth Sports Academy offers a unique opportunity for students to study for their A Levels or the triple BTEC National Diploma in Sport, whilst training with professional coaches and playing matches in local and national leagues. This is in a variety of sports including football, rugby, basketball and golf. Rugby and football students train at the new multi-million pound Northern Gateway sports and leisure complex. Basketball students train in our newly refurbished Sports Hall.

Sigma Sixth will give you the opportunity to take part in a broad range of enrichment activities - for example The Duke of Edinburgh Award and a World Challenge Expedition - alongside your main programme of study. Some activities enable you to gain additional qualifications or experiences, whilst others allow you to develop a creative talent or leadership skills. Here at Sigma Sixth we have the highest expectations of our students, nurturing a growth mindset and 'can do' attitude.

Please visit our website to find out more:

<https://www.sigmasixth.org.uk/sigma-sixth-colchester/>

Applications are made online and will open on Friday 14th October:

Our Open Evening is on Thursday 13th October - 5pm-7pm. Please follow this [link](#) to inform us of your attendance.

We look forward to receiving your application.

Yours faithfully

Miss Smith (Assistant Headteacher, Head of College)
Mr Taylor (Director of Sport, Sigma Sports Academy)
